His Excellency Gotabaya Rajapaksa,
President of the Democratic Socialist Republic of Sri Lanka
Presidential Secretariat, Galle Face, Colombo 1, Sri Lanka
ps@presidentsoffice.lk

Your Excellency,

Regeneration International fully supports your Presidential Directive on May 10, 2021 to form the Presidential Task Force for the creation of a Green Sri Lanka with sustainable Solutions for Climate Change.

We congratulate Your Excellency for showing global leadership and strongly support the stated aim of: "whereas, Sri Lanka's access to a green socio-economic pattern providing sustainable solutions needs to be prioritized so as to make people adapt themselves to an eco-friendly socio-economic pattern in order for the country to reap benefits from prevailing highly favourable conditions in the global economy in the context of the emerging global economic trends."

We will be submitting a report to the Presidential Task Force for the creation of a Green Sri Lanka with sustainable Solutions for Climate Change with good evidence referenced to published scientific literature to show that your Presidential Directive is achievable and will increase Sri Lanka's agricultural production, income, balance of trade, biodiversity and climate change resilience.

Introduction to Regeneration International

Regeneration International is an international network of more than 360 partner organizations in 70 countries in Asia, Africa, Latin America, Oceania, North America and Europe. Our Mission aligns with Your Excellency's Presidential Directive. We would be pleased to put the Presidential Task Force in contact with world leading experts to assist and enable the achievement of your directive.

Yours Faithfully,

André Leu, International Director, June 7, 2022
